OREGON ELEVEN TRAINING HARD

Western Eleven Is In Great Shape For Harvard Battle New Year's.

Pasadena, Calif., Dec. 24.—Practice in the clearest weather was continued Tuesday by the University of Oregon football squad in preparation for the game first New Year's day with the Harvard university team.

The Oregonians' schedule calls for two practice periods daily, the first in the cool of the morning and the second late in the afternoon, running even into the twilight. This it is said will give the team a better acquaintance with the kind of weather they are expected to play in when they reach Harvard.

They were out of training from their Thanksgiving day game until invited to meet Harvard, and are working hard every minute they are on the field to get into the best of condition. The men are divided into groups, according to their special line of work, and the team and each group is taken in charge by a coach.

Coach "Shy" Hunsington takes charge of the backfield men; "Black" Mitchell of the ends, and "Dick" Smith of the line.

Phoenix Quintet to Meet Long Beach

Phoenix, Ariz., Dec. 24.—Arrangements were completed Tuesday for a football game for the intercollegiate championship of the southwest between the Phoenix high school eleven and the team of the Long Beach high school.

Many Candidates For Head Of Lawn Tennis Association

NEW YORK, Dec. 24.—Lively competition is in prospect over the choice of president at the annual meeting and election of the United States National Lawn Tennis Association. It would not be at all surprising for the next to put forth a candidate and display considerable strength in backing him for the office. Already it is certain that the factions that have remained quiet and inactive because of war conditions are about to stir up some spirited controversy before and after the December assembly at the meeting.

One of the men chosen for the position, either by the official nominating committee or through representation of his section of the country, is Dwight P. Davis, of St. Louis, the donor of the international challenge cup. Another is Dr. Sumner W. Hildreth, the national delegate representing California in the executive committee.

Another candidate is George L. Allen, of New York, who is a member of the executive committee. He has been a member of the executive committee for several years and is a well-known figure in the tennis world.
